ANNUAL SUSTAINABILITY REPORT

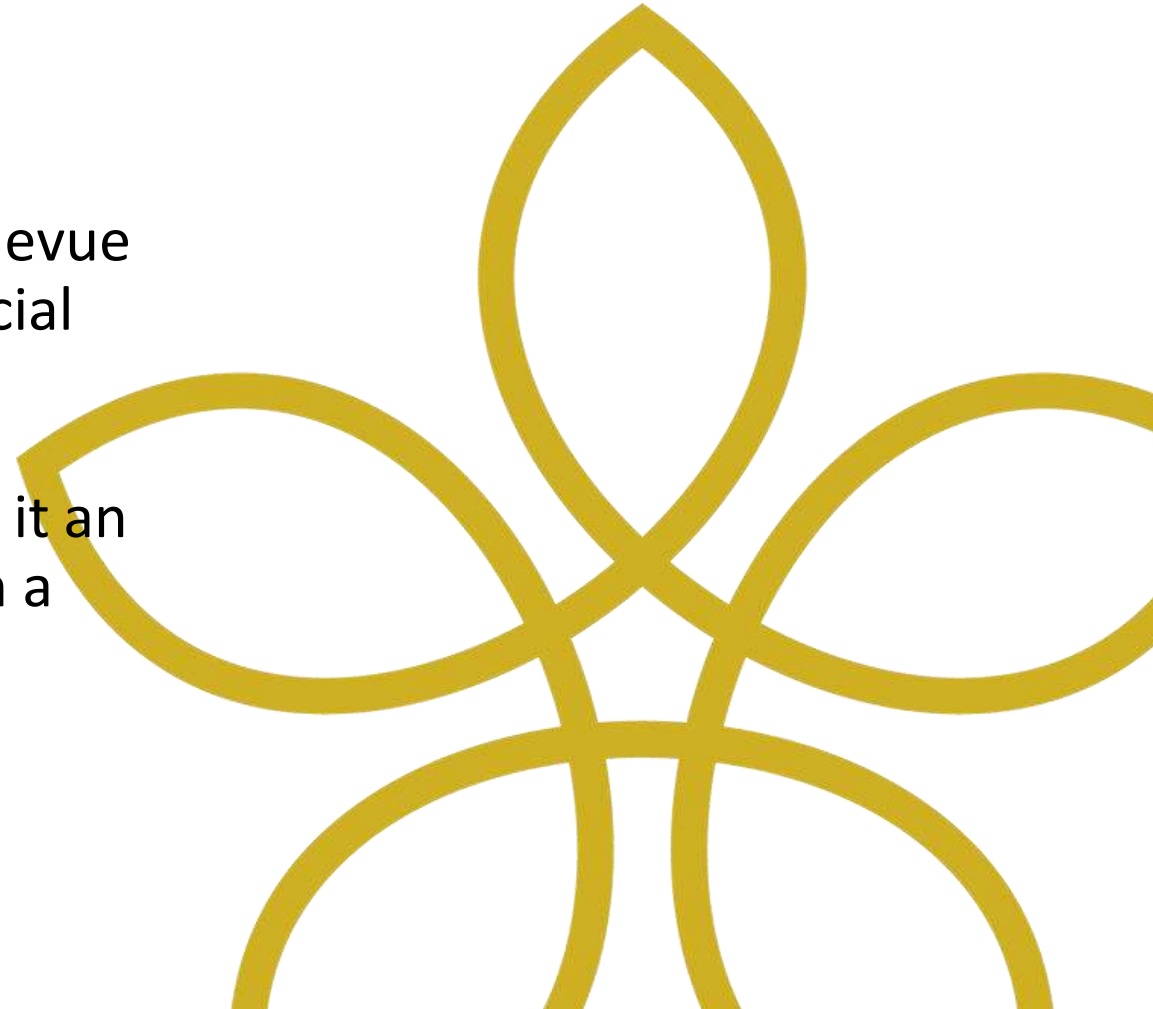

2025

Sentido Bellevue Park – Port El Kantaoui, Tunisia SENTIDO

Nestled along the golden sands of Port El Kantaoui, Sentido Bellevue Park is a 5-star beachfront resort that perfectly blends modern elegance with authentic Tunisian hospitality.

Certified by Travelife for sustainability, Sentido Bellevue Park is deeply committed to environmental and social responsibility, actively engaging in eco-friendly initiatives such as beach clean-ups, tree-planting campaigns, and waste reduction programs, making it an ideal destination for travelers seeking comfort with a conscience.

General Manager's Statement

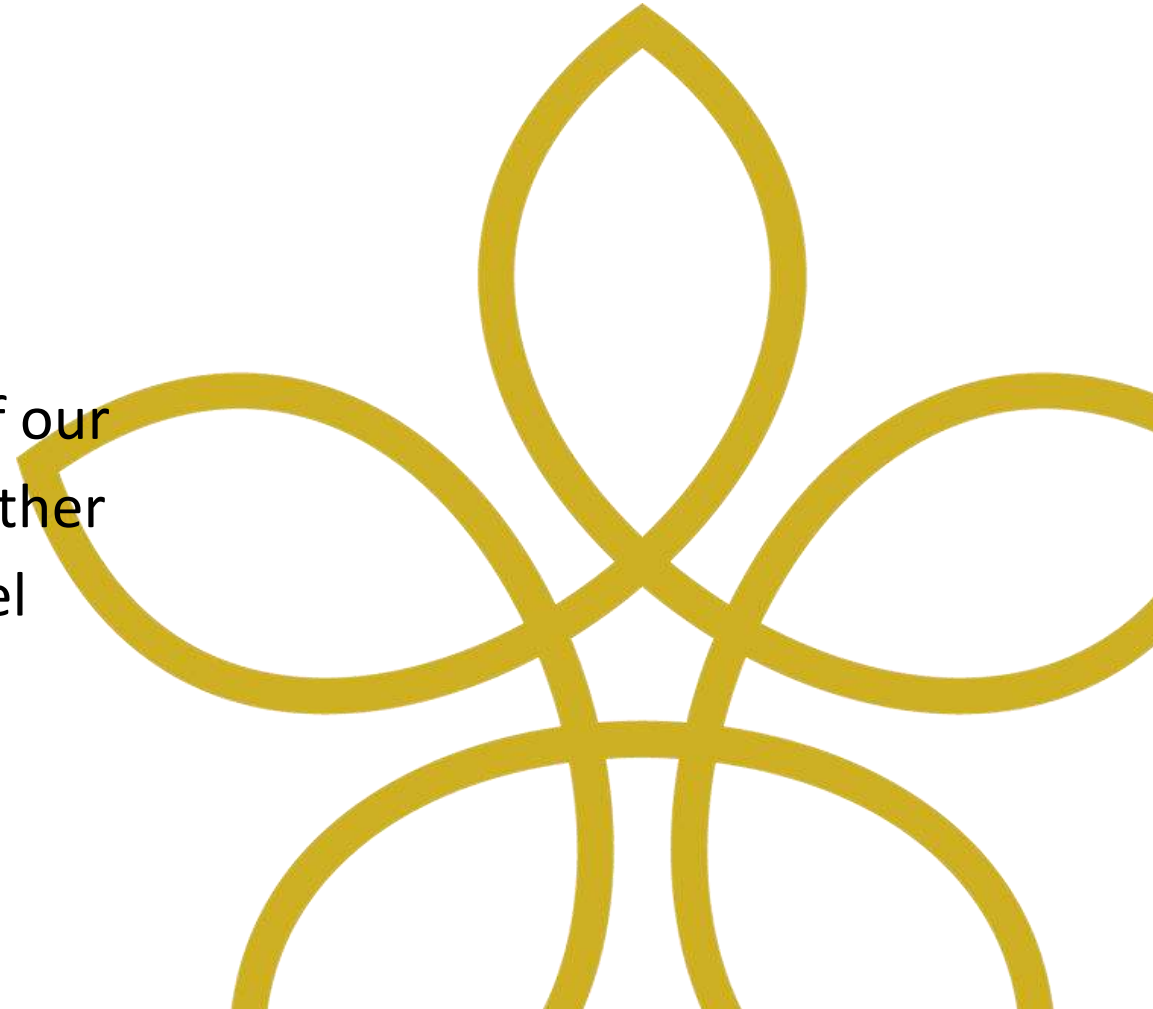

SENTIDO

At Sentido Bellevue Park, we believe that true hospitality goes hand in hand with caring for our planet and our community. Every day, we take meaningful steps to reduce our environmental impact — from conserving energy and water to supporting local suppliers and minimizing waste.

Sustainability is a shared journey, and I am proud of our team's dedication to making a real difference. Together with our guests and partners, we are shaping a hotel experience that is both welcoming and responsible.

Nizar Marghli

General Manager

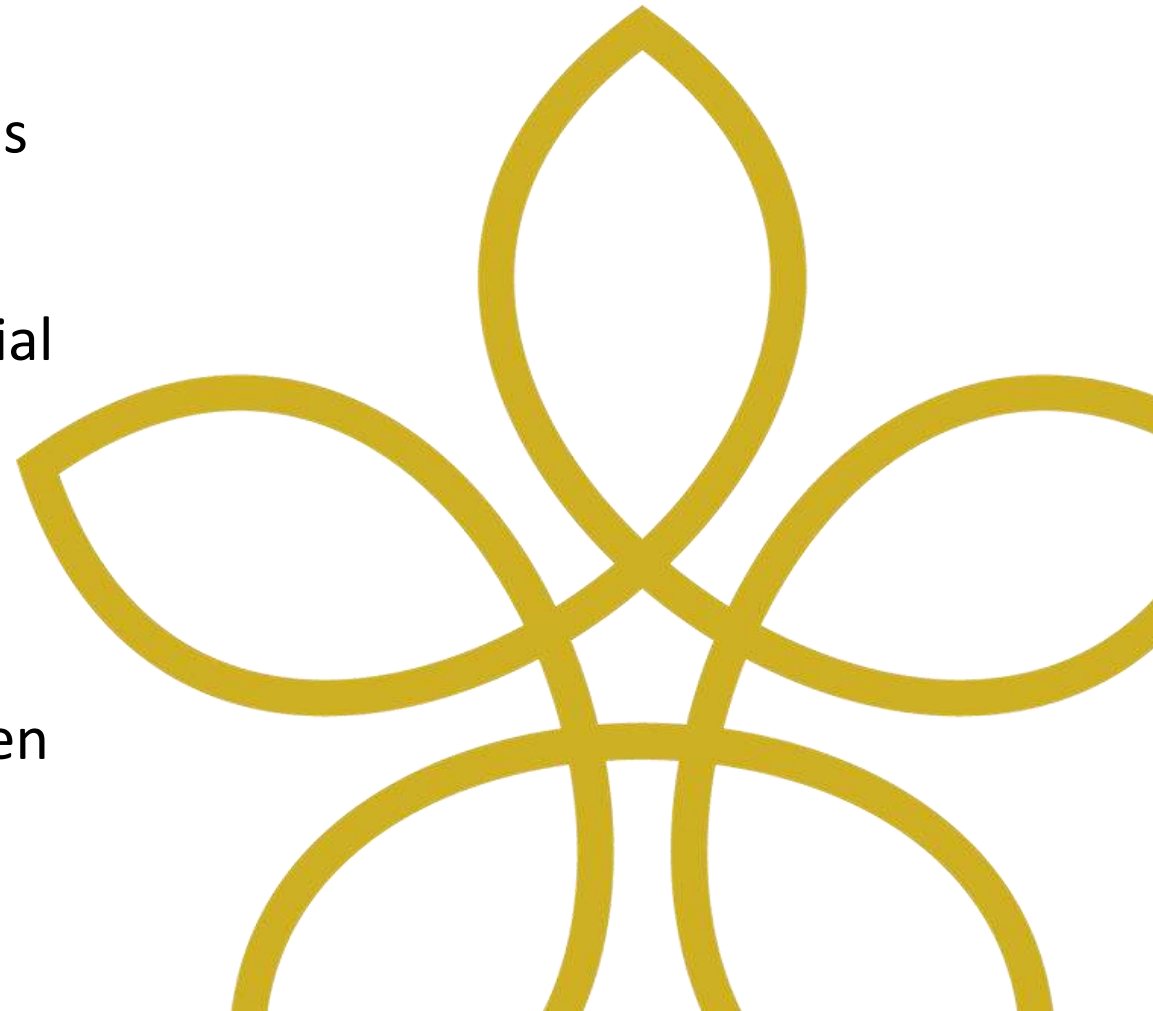

AN OVERVIEW

The social aspect: Focuses on social interactions and services related to hotel personnel.

The societal aspect: A broader field of considerations including corporate social responsibility (CSR) issues, support for community initiatives, environmental sustainability, and the hotel's contribution to the social life of the region.

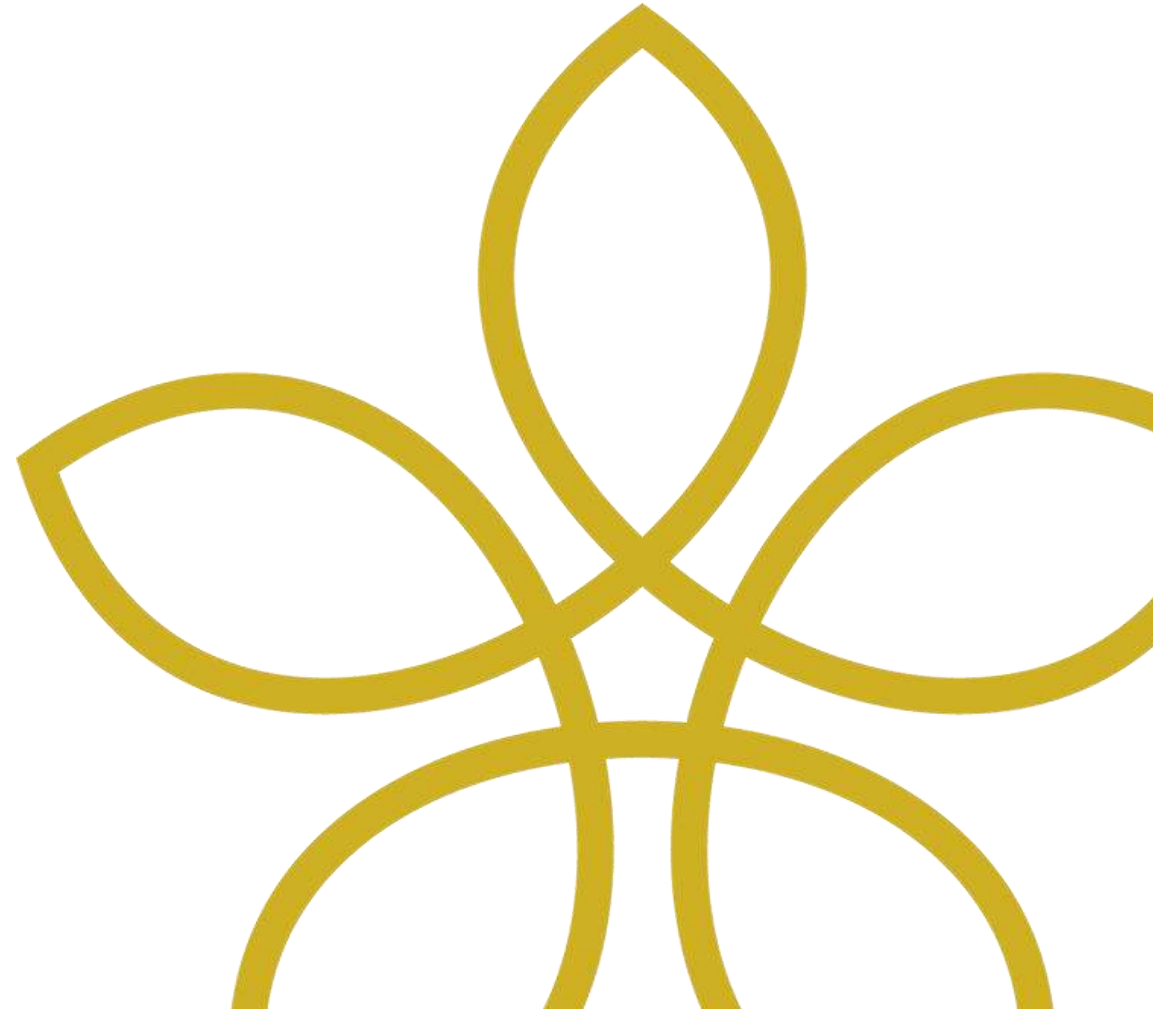

The environmental aspect: Refers to the practices and initiatives implemented to reduce the establishment's impact on the environment. This often aligns with a sustainable development approach.

THE SOCIAL ASPECT

THIS YEAR WE HAVE CELEBRATED TOGETHER :

- Staff Lunch
- Housekeeping Week
- Child Protection
- Staff Party
- Best employee

BELLEVUE PARK

handdoek wissel changement de serviette

Handdoeken slechts één keer gebruiken, deze dan wassen, gebruiken, wassen, ... Vindt u ook niet dat dit het milieu onnodig belast? Vorig jaar was 75% van onze gasten deze mening toegedaan en zij hebben hun handdoek meer dan eens gebruikt.

N'utiliser les serviettes qu'une seule fois, puis les laver, les utiliser, les laver, ... Ne pensez-vous pas aussi que ceci pollue inutilement l'environnement? L'année dernière, 75% de nos clients étaient de cet avis et ont utilisé leur serviette plusieurs fois.

FOOD WASTE MANAGEMENT

SENTIDO

ACTIONS IMPLEMENTED

- ✓ **Involvement of kitchen and restaurant staff in reducing food waste.**
- ✓ **Revision of the menus and dishes offered according to the culinary habits of the new customers.**
- ✓ **Raising the awareness of customers through the "Green Table" sign to finish their plates if they take this table.**
- ✓ **Improved waste sorting on the trolleys in the restaurant area during the buffet, which allowed us to have reliable data on waste quantities.**
- ✓ **Reduction in the size of the dishes presented on the buffet during the last half hour.**

WASTE MANAGEMENT

SENTIDO

Environment

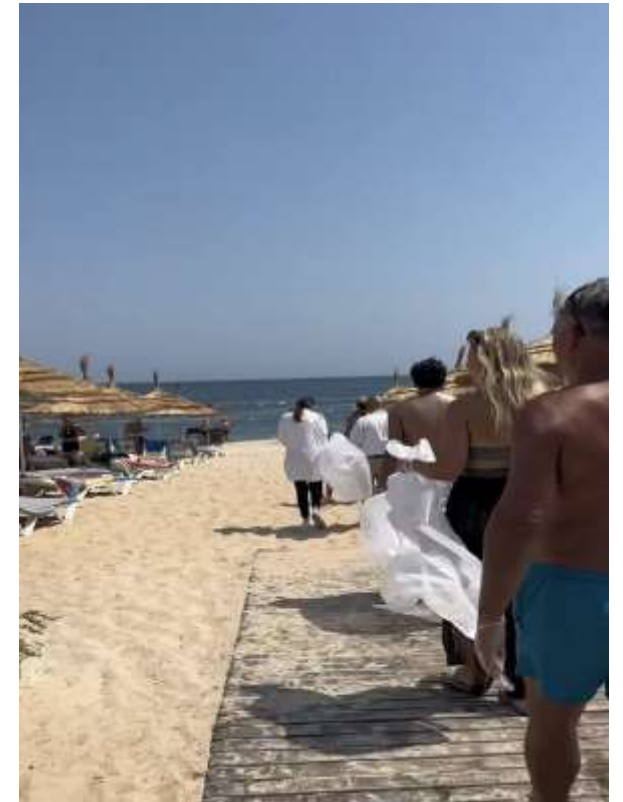

Waste management: Reduction at the source (elimination of straws, cups and spoons in plastic and substitution by those in wood and cardboard, choose the most economical packaging, sorting and recycling of ordinary waste (cardboard, glass, plastic, bread) and hazardous waste (burned oils, ink cartridges, aerosol spray, batteries ...) and elimination at collection centers approved.
